

AIR FILTER REGULATOR

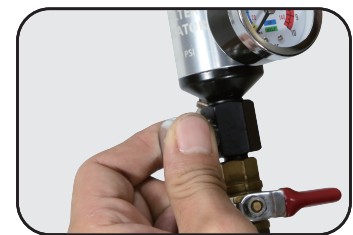

AI303-R1

AI303-R2

2020 NEW ARRIVAL — AIR FILTER REGULATOR

2 in 1 combine air filter with pressure regulator that more lightweight and save volume.

FILTER

Spectifiactions

- With Drain Valve.
- Metal gauge Impact-resistant housing.
- Removes water vapor, dirt, dust and oil vapor from air lines.
- Optimal for spray painting gun, air tools and other applications.

REGULATOR

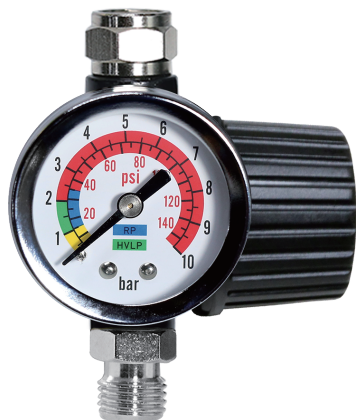

Model Number	AI303-R1	AI303-R2
Type	Dial Gauge	Digital Pressure Gauge
Units	PSI,BAR	PSI,KPA,BAR,KG/CM ²
Features	Watch With A Pointer Clearly Visible Scale	Battery Replaceable Auto Shut-Off Mechanism
Material	Zinc	
Air Inlet	1/4"	

DIAPHRAGM-TYPE AIR COMPRESSOR REGULATOR

The Digital Pressure Gauge has a Diaphragm design which works best on compressed air system. This is more reliable than piston-type and prevents air leakage at all times so the output airflow rate corresponds to the regulated air pressure setting.

AR-02

DAR-02B

Specifications

- Diaphragm-Type
- Solvent Resistant Based On Normal Usage
- For Spray Gun, Air Tools

Model Number	AR-02	AR-02B
Type	Dial Gauge	Digital Pressure Gauge
Units	PSI,BAR	PSI,KPA,BAR,KG/CM ²
Features	Watch With A Pointer Clearly Visible Scale	Battery Replaceable Auto Shut-Off Mechanism
Material	Zinc	
Air Inlet	1/4"	

DAR-06E-1

Spectifiactions

- LCD Digital Monitor With Backlit Display
- Solvent Resistant Based On Normal Usage
- For Spray Gun, Air Tools
- The Part Of Adjusion With Lock

Model Number	DAR-06E-1
Type	Digital Flow Gauge
Units	PSI,KPA,BAR,KG/CM ²
Features	Battery Replaceable Auto Shut-Off Mechanism One-Piece Molding
Material	POM
Air Inlet	1/4"

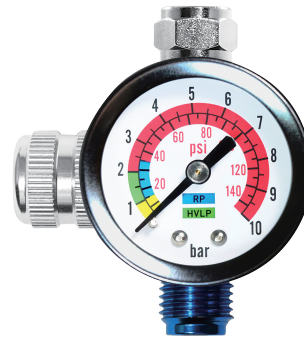

DAR-01B

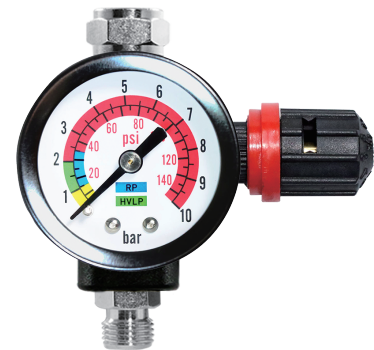

DAR-03B

AR-01

AR-03

Model Number	DAR-01B	DAR-03B	DAR-01B	DAR-03B
Type	Digital Flow Gauge		Dial Gauge	
Units	PSI,KPA,BAR,KG/CM ²		PSI,KPA,BAR	
Features	Battery Replaceable Auto Shut-off Mechanism		Thread Swivel Nut	Ocking Valve Adjutment
Material	Zinc			
Air Inlet	1/4"			

AS-213D

Spectifiactions

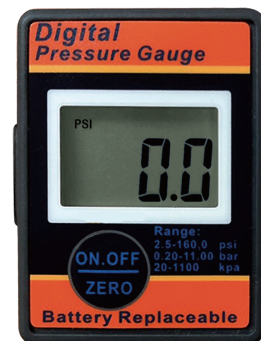

- Digital LCD Gauge More Accurate and Easy to Read.
- Piggyback Design Makes It To Install In Tight Spaces Or Small Workshops.
- Adjust Air Pressure with Lock.
- Metal Casing Protection Of Drop.

Model Number	AS-213D
Type	Digital Pressure Gauge
Units	PSI,KPA,BAR,KG/CM ²
Features	Battery Replaceable Auto Shut-Off Mechanism One-Piece Molding
Material	POM
Air Inlet	1/4"

DG-A

DG-B

Model Number	DG-A	DG-B
Type	Digital Pressure Gauge	
Units	PSI,KPA,BAR,KG/CM ²	
Features	×	Battery Replaceable
	Auto Shut-Off Mechanism	
Material	Zinc	
Air Inlet	1/8" NPT
